"THE COTTAGE RESTAURANT"

In keeping with the tradition of our first restaurants regard for proper nutrition and health, "The Cottage Restaurant" is no exception.

Mr. M.T.Yu, our master chef, was the chief cook to Madame Chang Kai-Shiek in Taiwan for over ten years. He insists on only the freshest produce available and frequently changes the daily specials to ensure top quality. Mr. Yu personally oversees all the daily deliveries of meats, fish, fowl and vegetables and never uses any canned, preprocessed or frozen foods. Most importantly, he does not allow the commonly used monosodium glutamate (M.S.G.) to enter his kitchen due to the freshness of his preparations which makes the spice additive totally unnecessary.

efficient, speedy delivery/take out service.

The cuisine is Hunan/Szechuan and we will tailor your order to your own personal taste.

With the humble success of our first restaurant, "Hunan Cottage" at 57 W. 76th Street, we are even more proud of our newest efforts.

In true accordance with authentic Chinese traditional cuisine, we sincerely trust you enjoy "THE COTTAGE RESTAURANT"

Here's to your health

New York City is overwhelming when it comes to eating out. With nearly 16,000 places to choose from. This is The Best.

Chef M.T. Yu was formerly at the Grand Hotel in Taipei, and also cooked for Mme Chiang Kai- Shiek when she lived on Long Island. His Hunan and Szechuan dishes are excellent.
